10 Tips on Caring for Parakeets

1. Place bird in a cage

with no air draft.

2. Your bird may bite at you,

but do not panic.

Leave them alone.

3. Talk to your budgie.

4. Do not leave bird out of cage.

5. Make sure wings are clipped.

6. Be sure to vary the food.

7. Never grab your parakeet.

8. Keep the cage clean.

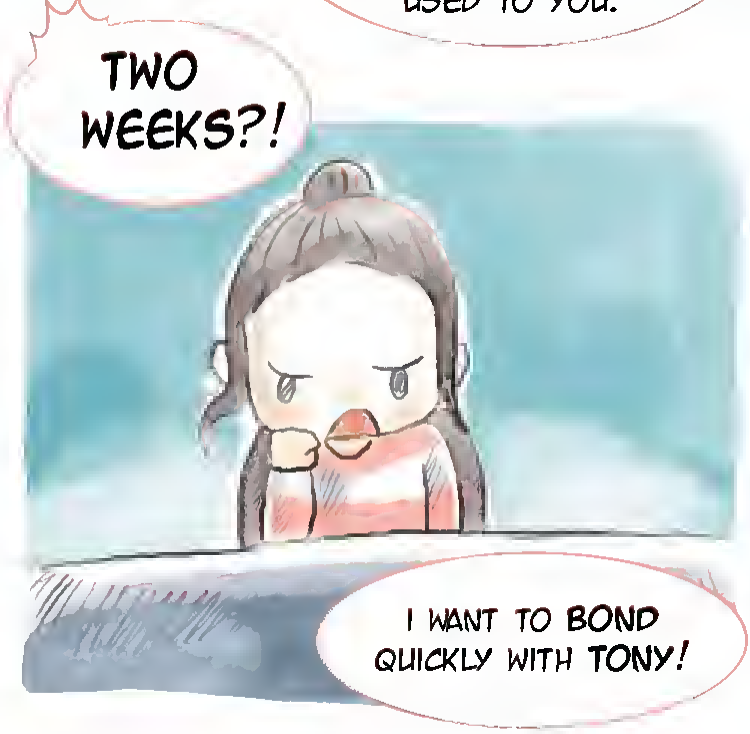
9. They love toys.

10. G

GIVE THE BIRD A DAY OR TWO TO SETTLE INTO THE NEW HOME.

DONT TRY TO BOND RIGHT AWAY.

AT MOST IT WILL TAKE 2 WEEKS OR MORE FOR THE BIRD TO GET



USED TO YOU.
TWO WEEKS?!
I WANT TO BOND QUICKLY WITH TONY!

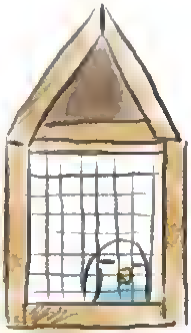
SHOULD I GO WITH THE BOOK-ER-WEB?

I MEAN...

IT IS MY **FIRST** TIME TAKING CARE OF A BIRD...

BUT...

HE LOOKS PITIFUL IF HE JUST STAY IN THE CAGE...



TEMPORARY RABBIT CAGE

HE HASNT EVEN **MOVED.**
